American Airlines Passenger Service Agents

DFW Airport members,

An update on DFW parking for team members,

To accommodate more customers returning to travel for spring break, team members should park in the Terminal B and Terminal C infield lots through March 22.

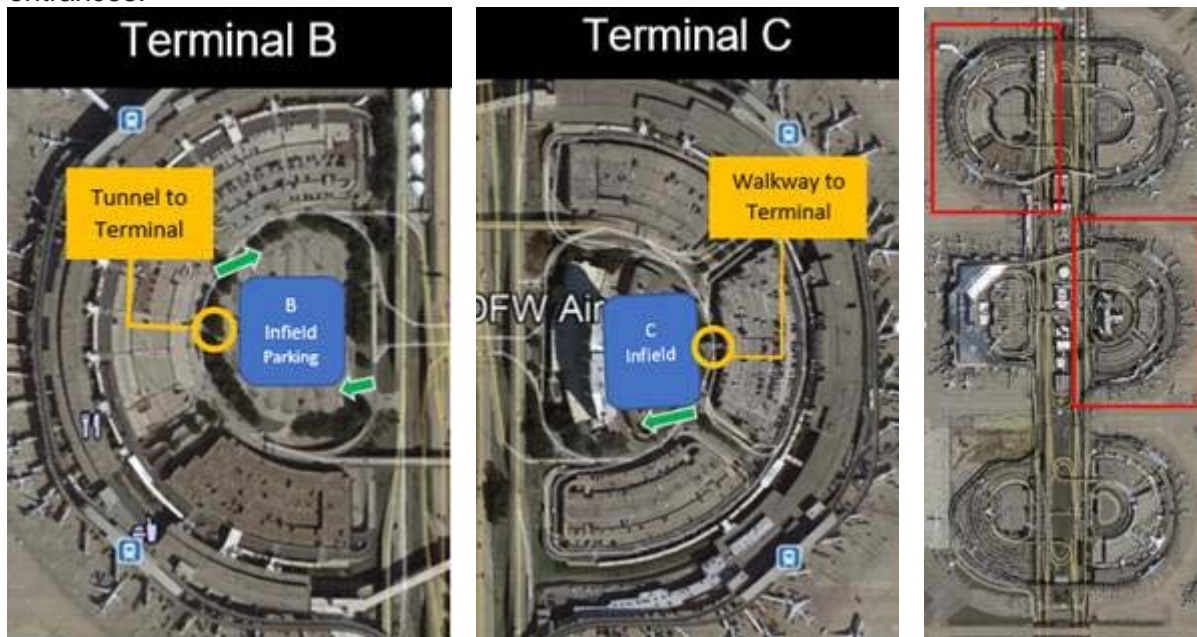

As a reminder, team members who utilize DFW Airport parking lots are **only** permitted to park in the following locations:

- Top two levels of each parking ramp at DFW.
- Terminal B and Terminal C infield lots (available until March 22). Please note that the Terminal C infield lot is the Hyatt Regency parking lot.

Thank you in advance for your participation. Complying with the airport parking guidelines will ensure our customers have a place to park. **Additionally, failure to comply with parking restrictions will result in a loss of parking privileges in the terminal lots.**

To access the infield lots from the roadway, look for signs labeled Infield Entrances on the right. After parking in the infield lots, please use walkways to access the terminal. The Terminal B walkway is located in the center of the parking lot and the Terminal C walkway is located on Level 4 of the garage. *Do not walk across roads that do not have designated crosswalks.*

Please reference the maps below for a more detailed view. Green arrows indicate parking lot entrances.

Union Strong,
Ereal Lewis Jr.
President, CWA Local 6001
