To: All CWA Local 6001 Members

Fr: CWA Local 6001 Officers

The Officers of CWA Local 6001 would like to thank all of our members for their patience during our transition in office. We apologize for the delay in reaching out to each of you and will make it a priority to be more transparent going forward.

Over the past few months, we have been working diligently on:

- VEOP, VLOA, RIFs, and Recalls
- Going through Training to better serve you
- Advocating for our members and processing grievance and work place concerns

Over the next several months and with your help, we would like to continue to build our steward structure which will allow for more day-to-day representation, to continue to educate our members on the Labor Agreement and bargaining structure, to build unity and solidarity amongst the Union Leadership and our members.

Enclosed you will find a membership packet that will explain your rights as a member along with detail information on our Local.

In closing, again we want to say Thank you to every one of you for all that you do each day. We are excited and honored to be the leaders of such a great group of individuals.

In Solidarity,

Ereal Lewis, Jr.
President
